- Annual inventory for retail stores
- Pet Boy's Car Wash
- Sell lighted "ropes" & water at July 4<sup>th</sup> parade
- Corporate donations (if you work for a company or know of a company that will make donations to our troop or match what we raise, this has been a very effective fundraising means for some troops in the past)

***Parents, do you have at your home, or place of employment, projects that you or your employer would be willing to pay your son, or a group of scouts to do? Also, ask in your church congregation if anyone has good fundraising ideas or opportunities, individually or at their place of employment.***

**Note:** Parents (with the help of the Troop Committee) will oversee all fundraising activities. However, we have been told that one of the great growth opportunities of this exceptional NJ opportunity is for each boy to take the primary responsibility for raising the cost of his National Jamboree experience.
