

Hello Jamboree Troop 605 Scouts and Parents!

Welcome to 2010—the year of the Centennial National Jamboree. I hope everyone had a great holiday season. Now we're back to preparations for Jamboree with only 7 months left to prepare. The next Jamboree Troop 605 Meeting will be on **Thursday, January 28th at 7:00 pm** at the **Holiday Lions Recreation Center** swimming pool and facility. The address is **1661 E. Murray-Holladay Road** (Murray-Holladay road runs East/West and is on the North end of the Cottonwood Mall). It is important that a parent attend this event with their son. Our goals and objectives for this month and at this meeting are:

- ◆ Complete and submit the BSA Jamboree Medical Forms to the Troop (several doctors will be available to complete medical exams)
- ◆ Complete the BSA Swim Check
- ◆ Distribute and discuss the NEW Jamboree Prep Check-off List
- ◆ Distribute Jamboree patches and binder updates
- ◆ Have fun together and make better friends
- ◆ 100% National Registration completed
- ◆ Final push to have everyone completely paid on the \$2500 Jamboree fee
- ◆ Complete all personal profile sheets

This month's activities and goals are critical to keeping us on schedule for our on-time preparations for Jamboree 2010. We particularly need everyone to be completely paid on their \$2500 Jamboree fee. Please, if you need a little extra time, contact me with your plan.

All Scouts should be in full uniform please—we need to finish our photos for the personal resource sheets.

Also, make sure to check the latest Troop Calendar updates on our Jamboree Troop 605 website at www.jamboreetroop605.com. See you all soon!
